## Oliver Oliver!

On Sunday morning after chapel the cast and crew had a full rehearsal in costume in the hall. We went through all the songs and practised our lines.

Sister Marshall spent the morning organising all the props. Mrs DiConstanzo and Miss A took lots of photographs.

We are looking forward to the performances on Tuesday and Wednesday evenings.

### Sunday Activities

There were lots of different activities organised for Sunday afternoon and following the play rehearsal it was great to get outside.

Mr. Wicling ran a cricket activity and Sarah organised an egg decorating competition.

The winners of the egg competition were Hugo Dingwall (Grandpa), Charles Sheepshanks (Pierre), Harry Bolton (My dad in action), Ben Saunders (Squawk), Ralph Assheton (The gardener in his garden). There were lots of entries so well done to everyone.

Mr. Goddard took a free swim and there was also touch rugby.

In the morning Mr. Goddard ran a football tournament for everyone who was not in the play rehearsal.
