

The Aysgarth Boarder Aysgarth Walk 08/09

16 miles Sir!!!!

On Sunday 17th May over 200 pupils, parents and teachers took part in the Aysgarth walk raising money for Help for Heroes.

The walk started in the village of Aysgarth, the original setting for the school. It was then a 16 mile stroll along the river Ure and up towards Aysgarth school now set in the village of Newton le Willows. The total distance of the walk was 16 miles although there was the opportunity to do a 10 mile or 5 mile walk.

At Danby Hall, 11 miles into the walk Mr Goddard provided much needed refreshments before moving onto to school and the last 5 miles.

Well done to all the boys and adults who took part and to all the people who have given so generously to the fundraising.
